\*These sessions will take place during regular school hours.

### Morning:

School teams will have an opportunity to learn about high impact practices, professional learning modules, and resources in structured literacy and the Science of Reading/Mathematics currently being implemented in the UCDSB. This professional learning session will have options for English and French teachers. Foundational documents on structured literacy and numeracy connected to the UCDSB Professional Learning Plan and UCDSB-created planning templates will be shared.

### Mathematics:

Facilitators will meet with priority schools for math to update the Math Action Plan, Professional Learning Series in Mathematics, Assessment tool and data collection. Curriculum connections to high impact practices will be a focus.

### School Improvement and Equity Planning

### Afternoon:

Review Violence Prevention and Intervention Incident Reporting
